2026 Calendar

Annual Report 2024 - 2025

A word from Lynda

A huge thank you to our staff, volunteers, and our 1,600

plus members for your ongoing dedication and support. Your energy and commitment make Cross Gates & District Good Neighbours' Scheme CIO a place to give and receive support - and above all, to enjoy and have fun.

Our decision last year to concentrate on the Scheme and close the Community Hub has allowed us to focus resources where they are most needed. The services provided from the Hub have transferred to the Scheme, ensuring continued support for the wider community.

This year, we also said farewell to some valued staff through retirement or relocation, but we are delighted to

welcome new team members who are already making a positive impact. Their efforts, alongside our volunteers, ensure services run smoothly and efficiently.

A particular highlight this year has been the purchase of two new accessible minibuses, made possible through our Buy-a-Bus campaign and the commitment of our supporters. This milestone ensures safe, reliable transport for our members for years to come.

I am confident that together, we can look forward and meet any challenges 2026 may bring. Thank you for everything you do to make our Scheme thrive.

I wish you a peaceful Christmas and a happy, healthy 2026.

Lynda Pitts | Chair

Leave a legacy of kindness | With a gift to Cross Gates & District Good Neighbours' Scheme CIO in your will, you can do so much to make sure local older people have the support they need in years to come.

...and thank you from the Treasurer

I am pleased to report that we remain in a good financial position. While we continue to seek longer-term, sustainable funding for overheads, we have successfully secured resources across multiple projects, allowing us to maintain and enhance our services for members.

Thanks to careful planning and successful external funding, we can maintain existing staff levels and welcome additional team members, strengthening our capacity to deliver vital services.

On a personal note, when I took on the Treasurer's role it was always intended to be on a temporary basis, whilst I will continue to support in the office with payments and invoicing. I am delighted to hand over to our new Treasurer, **Tracey Sheils**, whose 36 years of banking experience will be invaluable in maintaining the Scheme's financial health.

Looking ahead, we remain focused on building financial resilience and planning for sustainable growth. Every contribution, whether through the 100 Club, donations, or legacies, plays a vital role in supporting our work. Thank you for your continued support, which enables us to develop our services and look confidently to the future. Janet Deighton | Treasurer

Income (October 2024-September 2025)

Total - £415,960

Expenditure (October 2024-September 2025)

Total - £345,370

The £87,500 cost of two minibuses purchased this year has been capitalised and will be depreciated over their expected life, and therefore is not reflected as expenditure in this year's accounts.
